- Acervo Obras Raras / ICICT – 2010;
- BV BioMA;

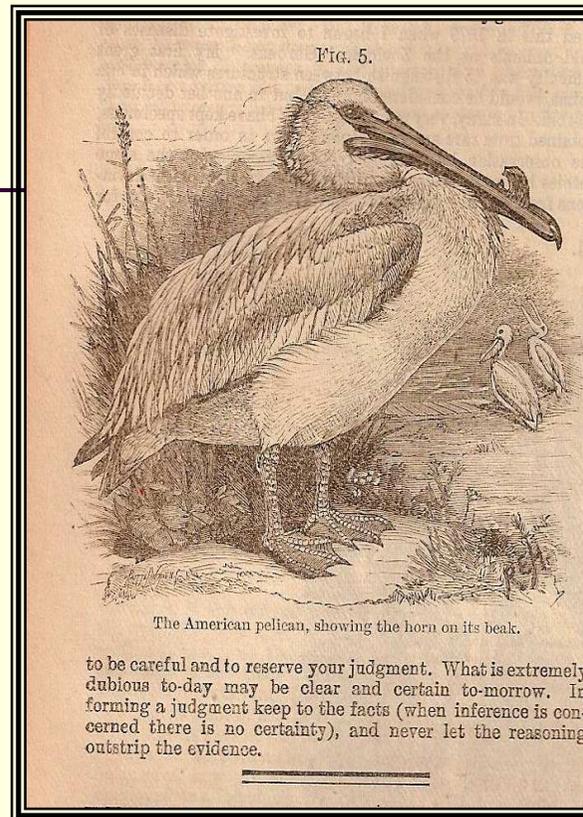

Entomologist. Londres, v.33, n.442, 1900.

Detalhe de ilustração de: *Lancet*, Londres, v.1 , 1895.

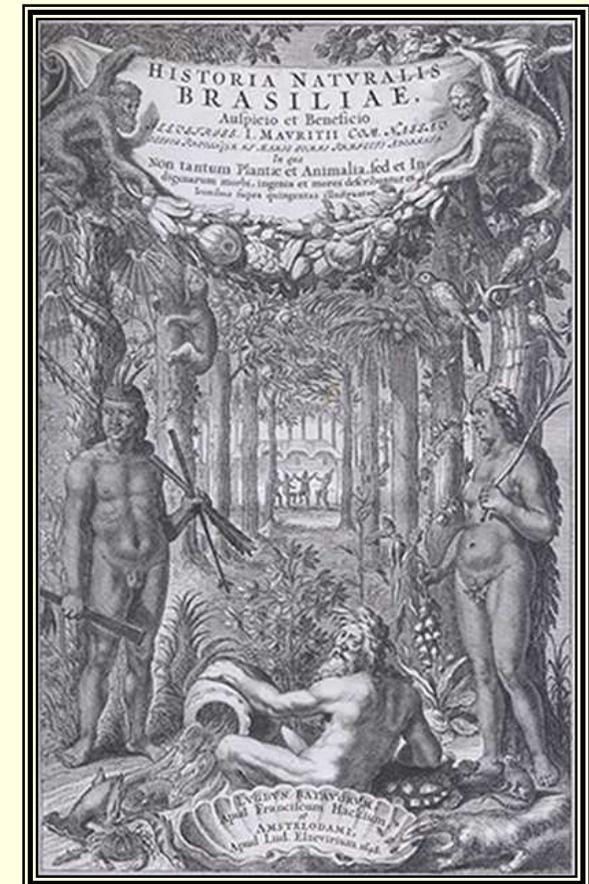

Memorias do Instituto Oswaldo Cruz. Rio e Janeiro, t.1, 1909.

The American pelican, showing the horn on its beak.

to be careful and to reserve your judgment. What is extremely dubious to-day may be clear and certain to-morrow. In forming a judgment keep to the facts (when inference is concerned there is no certainty), and never let the reasoning outstrip the evidence.

Página de rosto gravada: de Piso, Willem. *Historia naturalis Brasiliae...* 1648.

OBRIGADA!
